## 14th Sunday of the Year

My dear people,

England's lamentable performance on the football field last week served as a reminder that the beautiful game is a team sport. No matter how talented (and some have even questioned that!) the players, unless they play as a team, will not achieve anything. Germany played team football and deservedly won.

We need to play team Christianity, every one of us playing our parts in the worship and social life of the Church. Communities which rely on a few individuals to do all the work easily descend into back biting and petty squabbles, wasting their energy and achieving little. Jesus said that a house divided against itself cannot stand.

With every blessing,

Fr Gerry

BCCS are looking for people from all over the Diocese to make a sponsored 10,000 feet freefall tandem parachute jump.

Imagine the adrenaline rush as you leave the plane at 12,000ft heading towards earth at 120mph for 7000ft freefall, then the tranquility as the parachute deploys and you gently descend back to terra firma.

You just need to raise a minimum sponsorship of £300 and you can jump for free. Why not take on the challenge of a lifetime, whilst at the same time knowing you are doing your bit to help a charity supporting the children and families of our Diocese.
